Petro Canada's
THE GREAT MOZART HUNT

Commemorate the 200th anniversary of the death of Mozart, with basson virtuoso George Zukerman, and an orchestra of 16, exploring the Mystery of Missing Mozart Manuscripts. They are joined by White Rock actor Ron Halder, who plays the parts of Mozart, Sailer, Bretkopf, Koechel and the Private Eye! It's a musical detective story, with some genuine Mozart, some spurious Mozart and some truly anonymous works which might - or then again might not - be from the pen of W.A.M.

FRIDAY, NOVEMBER 29, 1991

JOSEPH SHORE
baritone

A voice to be remembered! From the great Operatic stages of North America, baritone Joseph Shore creates a concert full of the most memorable Operatic characters of all time! A magnificent voice, an extraordinary stage presence. Joseph Shore is now on the faculty at UBC. This will be his first full length Vancouver area concert. Don't miss our first vocal recital in many seasons!

WINDS OF THE SOUTHERN CROSS

From down under, one of the world's most remarkable wind-bands. Nine Queensland musicians offer some of the most delectable wind ensemble music ever written. This tour is heavily subsidized by the Australian Arts Board, so let's enjoy the visitors from the Southern Hemisphere while letting somebody else pay part of the bill!

FRIDAY, MARCH 27, 1992
