

White Rock Concerts

First presentation of White Rock Concerts 63rd season will be this Friday (Sept. 27) – and subscribers should note the new starting time of 7:30 p.m. – at White Rock Baptist Church, 1657 140 St.

Internationally-known prize-winning cellist **Colin Carr** and the John Avison Chamber Orchestra will present cello masterworks of Haydn and Bach, including Haydn's beloved *D major Concerto*.

While the concert is only open to members – and memberships are sold out for this season of the highly in-demand series – White Rock Concerts president **John Leighton** says those placing their names on the waiting list now should be assured of a membership for next year.
