Please enjoy!

### 4 FRIDAY, FEBRUARY 10, 2023

### From Bach to Piazzolla

with the Borealis String Quartet and the Bergmann Duo

2021 marked the centenary of the great Tango composer, Astor Piazzolla and we are delighted that we can finally mount a concert combining his tangos with some of the most beautiful music of Johann Sebastian Bach. Bach's music was one of the main influences on the Argentinian composer and this concert will include Bach's *Concerto for two keyboards in C major*. We are excited to join forces with the dynamic Borealis String Quartet for this very special showcase and celebration.

### 5 MONDAY, MARCH 13, 2023

### Angela Hewitt, piano

After Angela Hewitt's highly praised performance during the 2011/12 season, she returns with a fantastic programme that includes the monumental *Sonata in f minor, Op. 5* by Brahms, Bach's *English Suite No. 6* and a set of Scarlatti Sonatas. One of the world's leading pianists, Angela Hewitt appears in recital and as soloist with major orchestras throughout Europe, the Americas, Australia, and Asia and we are thrilled to welcome her again to White Rock!

### 6 FRIDAY, APRIL 28, 2023

### The Montrose Trio

with Jon Kimura Parker, piano, Martin Beaver, violin and Clive Greensmith, cello

The Montrose Trio, appearing for the first time in White Rock, is a collaboration stemming from a long and fruitful relationship between pianist Jon Kimura Parker with the Tokyo String quartet's former first violinist Martin Beaver and cellist Clive Greensmith. Each a virtuoso in their own right, the three stellar musicians are a powerhouse ensemble and will mesmerize us as they perform Mendelssohn's rapturous and romantic *Trio in C minor*, in a program that also highlights three unique voices of the 20th-century, in music born in the depths of WW II, a work inspired by horseback riding in the Andes, and a little jazz.
